

Western Wilderness Integrated Cooperation Marketing Strategy

Room – Product –Experience Bank

Additional Contribution to the Western Wilderness Zone Integrated Cooperative Marketing Strategy

The Cradle Coast Authority requests that all operators consider contributing to the “Room, Product and Experience Bank” to support the many campaigns that have been highlighted in the Integrated Cooperative Marketing Strategy.

Contribution of accommodation, meals, services and experiences will be used to support marketing initiatives including (but not limited to) the visiting Journalist and Trade program, competitions on line and in print media, photo shoots and the proposed intrastate campaign.

Participation in this program is not dependent on participation in the Integrated Cooperative Marketing Strategy including marketing packages or advertising in the Holiday Planners or Visitor Guides.

All operators will be advised in advance of use of contributed product.

To support this product bank please fill out the attached details and return the form to the Cradle Coast Authority
