

2020-2025 STRATEGIC PLAN SUMMARY

Stronger Councils, Stronger Region

Our Vision: A region that is prospering as a result of strong Councils working together, where ratepayers, industry and government see the benefits of investing in the CCA model. In short, 'Stronger Councils, Stronger Region'.

Our Purpose: To help Councils achieve regional outcomes and maintain strong local government, by working together.

Our Principles

We will achieve our vision by consistently acting according to our principles.

We take our responsibility as public administration professionals seriously. We are committed to value for money, impact and transparency, we act with integrity, honesty and respect.

Agile

Collaborative

Optimistic

Lean

Growth mindset

We adapt and refocus quickly and easily, in response to change.

We play to others' strengths and listen with intent to understand and avoid duplication.

We see the best possible outcome and strive for that.

We use our resources wisely and keep things simple. If a longer meeting or document won't add value, we'll keep it short.

We experiment, reflect and innovate - we constantly ask ourselves "how can we do this better"?
